

JAYDE ADAMS PRESENTS THE BALLAD OF KYLIE JENNER'S OLD FACE AT THE EDINBURGH FESTIVAL FRINGE 2019

She's a star **Brian Logan**, *The Guardian*

She is a born performer – at ease with the audience, a naturally comical storyteller **Alice Jones**, *The I*

There's little doubt that Adams is anything but stardom bound **Bruce Dessau**, *Evening Standard*

Award winning comedian **Jayde Adams** has packed away the sequins and glamour to return to the Edinburgh Festival Fringe and present her 4th solo stand-up show *The Ballad of Kylie Jenner's Old Face* at Pleasance 2 from 31st July – 25th August at 9:30pm.

The proud Bristolian had got rid of the flashy music numbers and glitzy costume changes to reinvent herself as a 'Successful Independent Woman Person' and deliver an incredibly serious keynote speech examining what it means to be a feminist in 2019. *"Britain's Funniest Woman comic"* (Daily Mail) invites you to ignore all the self-promotion and fakery to discover what it takes to be a real role model wearing the feminist wardrobe stable; the Serious Black Jumper™.

Jayde's *"rafter-rattling"* (Alice Jones, The I) performances earned her a nomination for *Best Newcomer* at the 2016 Edinburgh Comedy Awards, followed by a spot on the BBC New Talent Hotlist 2017. 2019 will see Jayde host a brand new podcast with **Scott Mills** for BBC Sounds in the lead up to Eurovision as well as bringing the cult live musical show *Amusical* to the screen for the very first time for Comedy Central with **Kiri Pritchard Maclean** and **Dave Cribbs**. *Amusical* will also return to the Pleasance grand for one night only during August.

A regular on our screens, Jayde has recently featured as a guest on *Roast Battle*, *Live At The Comedy Store*, *The Chris Ramsay Show* (Comedy Central), *8 Out of 10 Cats Does Countdown* (Channel 4), *8 Out of 10 Cats* (E4), *Dara O'Briain's Go 8 Bit* (Dave) and *Russell Brand's Stand Off for Comic Relief* (BBC). Her acting credits include *Russell Howard's A Gert Lush Christmas* (BBC2), *A Spencer Jones Christmas* (Sky Arts), and *Borderline* (Channel 5) alongside **Kerry Howard**. Jayde also had a guest role in Sky One's series *Sick Note*, starring **Nick Frost** and **Rupert Grint**, and in BBC One / Amazon's hugely anticipated new series *Good Omens* alongside **David Tennant** and **Michael Sheen**, while she appeared in **David Earl's** Sky Comedy Short *Giddy Up Gunty* alongside David and **Joe Wilkinson**.

Jayde wrote and starred in her own Sky Halloween Comedy Short *Bloody Tracy* with Guilty Party Pictures, as well as creating and starring in her own BBC Three short *Affordable Meats*, produced by Me & You Productions (Emmy-award winning producers of *Hoff The Record*).
