Following her second sold-out London run opening this very evening at the Soho Theatre, Upstairs, **Stevie Martin** (*"Hilarious,"* The Guardian) announces an extra date added to her return to the capital with her second hit-hot-hour due to phenomenal demand. A must-see solo talent, it will be your last chance to catch Stevie in *Hot Content* – a show of absolute bangers (jokes) for anyone who likes their content hot and their bangers stone cold – at Soho Theatre, Downstairs on Monday 30<sup>th</sup> March at 8.30pm.

In this lovely bit of business involving sketches, characters and *"funny AF 'tent"* (TimeOut), Stevie draws on her experiences as a clickbait hungry online journalist, one-time campaigner and traction-obsessed social media user. From WhatsApp groups to self-help apps and insta stories to twitter threads, the world revolves around hot content and we're all drowning in it. Thankfully, Stevie has an excellent relationship with her smartphone and by the time you leave the room, you will too.

Soon-to-be seen on Sky's *Breeders* alongside **Martin Freeman** and **Daisy Haggard**, and as seen on Dave's *Comedians Giving Lectures*, Channel 4's *Damned*, Russell Howard's *Good News*, ITV2's *Elevenish*, Comedy Central's *Brotherhood* and Sky Kids' *So Beano*, Stevie also is the co-host of the hugely popular *Nobody Panic* podcast (formerly *The Debrief Podcast*) with **Tessa Coates**, where the pair aim to work out how to be a functioning adult without screaming all the time. *"Witty, smart and oh-so-relatable"* (Evening Standard), the podcast has an ever growing fan base of devoted listeners, and has seen guests including the likes of **Dolly Alderton**, **Nish Kumar** and **Jessie Cave**.

Also, as one third of much lauded sketch group *Massive Dad*, Stevie received national critical acclaim for live shows *Massive Dad* and *Massive Dad 2.0: Step Up 2 Massive Dad*, while Edinburgh 2018 also saw her debut her first hour, *Stevie Martin: Vol.1*, and appear in the hit shows *Adam Riches is... Coach Coach 2* and *Adam Riches is... The Lone Dueller*. She is also an acclaimed writer, regularly contributing to the likes of The Guardian, ELLE, Grazia, Cosmopolitan, Refinery 29, Stylist, Vice, Evening Standard and You Magazine, and she has co-written, co-starred and co-produced a number of BBC Three Quickies.
