

# AL MURRAY, THE PUB LANDLORD'S SELL OUT TOUR 'LANDLORD OF HOPE AND GLORY' RESCHEDULED FROM 3<sup>rd</sup> SEPTEMBER 2021

The year is 2021. The world stands on the brink. Turmoil is the norm. Questions have been asked and none answered. What we need is one man, to step forward, one man with all the answers. Well you're in luck, ladies and gentlemen - he's here and touring the nation. Al Murray, The Pub Landlord's rescheduled dates from the second extension of his sell out tour, *Landlord of Hope and Glory*, will start from 3<sup>rd</sup> September.

The Pub Landlord said about the show: ***"Citizens of Hope and Glory! Our new tomorrow beckons. A new tomorrow that smells reassuringly of yesterday, but with wifi. One last heave and we will be there. And when the going gets tough the tough get going. Although the going won't get tough and anyone who tells you it is going to be tough is lying. Come join me to marvel at the majesty of our green and pleasant land. A land globally renowned for our culture, history and places, like the world-famous Salisbury Cathedral. Join me to step backwards into the future."***

For over 20 years Al Murray, The Pub Landlord has filled the biggest venues around the UK, including London's O2 Arena and the iconic Royal Albert Hall. He has won numerous awards, hosted many critically acclaimed television shows, and in 2015 famously stood for election in the hotly contested seat of South Thanet.

## What the press said about Landlord of Hope and Glory

*"It remains one of the great joys in comedy to see the Pub Landlord befriend and belittle the front rows, blithely dishing out attributes to them, responding with superfast wit... So long as he has an audience with a pulse and an onstage pump that dispenses frothy lager for him to spill on them, Murray will always be a good night out."*

**Dominic Maxwell, The Times**

*"Landlord Of Hope And Glory is a rambunctiously good night out... he's always the sharpest operator when it comes to quick-thinking mockery, and it's great to witness such mastery."*

**Steve Bennett, Chortle**

*"Al Murray's brilliant creation has become an essential part of the British comedy landscape... it's a joy to see him work himself into a froth"*

**Claire Smith, The Scotsman**

*"it never ceases to amaze me that he can come up with such good gags off the cuff"*

**Bruce Dessau, The Evening Standard**

*"still funny after all these years"*

**Veronica Lee, The Arts Desk**
