The live show will be an interactive extravaganza featuring games, sit down audience participation, hypochondriac's bingo, and a Q&A with the audience.

Jenny said, '*Judith and I haven't been onstage together since Latitude Festival when Judith got so overexcited, she got uncharacteristically drunk after the gig and ended up vomiting into a washing up bowl.*'

Judith said, '*Show finishes in time to get home, break open some mini cheddars and undo the bra in front of The Antiques Roadshow. F\*\*k yes. What's not to love?*'

With regular favourites such as 'Hypochondriacs Corner' and 'Taste Sensation of the Week', the *Older and*

*Wider* podcast has fast become a snort out loud sanity saver for like -minded women up and down the country and increasingly all over the world (true).
