In December this year, award-winning U.S. comedian, actor, writer, producer, and author **Iliza Shlesinger** returns to London as part of a 35 date worldwide tour with the brand-new stand-up show *'Hard Feelings'*. Marking Iliza's 4<sup>th</sup> visit to the UK, she is set to perform at Eventim Apollo on Wednesday 6<sup>th</sup> December 2023 with an extra show added on Friday 8<sup>th</sup> December to meet huge demand for tickets, following her previous critically acclaimed UK performances. Tickets go on sale on Friday 21<sup>st</sup> April, including a limited number of VIP Meet & Greet tickets, and can be found at [iliza.com](https://iliza.com).

*"This is the biggest and best tour I've done"* stated Iliza, *"I can't wait to share my rock-hard feelings with the world."*

Fresh off the release of her 6<sup>th</sup> Netflix special *Hot Forever*, and her second book *All Things Aside: Absolutely Correct Opinions*, Iliza is known for her high energy shows that deliver laughs wrapped up in poignant, thought-provoking ideas. She says the truths we're all thinking. She was recently included in Variety's 2022 Comedy Impact Report and Adweek's Creative 100 list which acknowledges inspiring and innovative individuals. Her previous Netflix specials include the wildly successful *Elder Millennial*, *Unveiled*, *Confirmed Kills*, *Freezing Hot*, and *War Paint*. Additionally, she just launched *Iliza's Locals*; a three-episode series highlighting 18 up-and-coming L.A. comedians which is currently streaming exclusively on the 800 Pound Gorilla Media platform before moving over to YouTube on 28<sup>th</sup> April.

In 2022, Iliza released her second book *All Things Aside* and her *AIA: Ask Iliza Anything* podcast on Earwolf continues to be a fan favourite. In January, the *Don't Panic Pantry* cookbook was released. Written by her husband, James Beard nominated author/chef Noah Galuten, with the Forward by Iliza, the book is inspired by the online cooking series the two created during the pandemic. While Iliza's first book, *Girl Logic: The Genius and the Absurdity* was a subversively funny collection of essays offering her unique perspective on women's behavior.

She wrote and starred in the Netflix comedy movie *Good On Paper* and played opposite **Mark Wahlberg** in the #1 Netflix film *Spenser Confidential*. She also appeared in the critically acclaimed indie drama *Pieces of a Woman* with **Vanessa Kirby**. Other credits include *Instant Family*, starring Wahlberg and **Rose Byrne**, and *The Iliza Shlesinger Sketch Show*, a comedy series she created and starred in for Netflix.
